A la Carte Planning Services

Event Design – \$1995

We discuss your wedding vision and help you determine your wedding theme, color palette and décor. We will create a formal wedding design blueprint for your wedding. This will be something you can share with your vendors to help clearly communicate your personalized wedding style.

Vendor Selection – \$1495

We research and provide wedding professional suggestions for each vendor category who fit your event style and budget. We also provide guidance in making final vendor selections. We will attend up to 5 vendor appointments of your choice.

Invitation Design and RSVP Tracking – \$495

We assist with the invitation design, phrasing and will track your guest RSVP's.

Rehearsal Dinner – \$995

We assist with the venue selection and event design. We coordinate the day of event vendor logistics and manage the event details throughout the evening.

Planning Power Hour Sessions – \$100 per hour

These sessions are jam packed with wedding planning information. They are perfect if you are planning the majority of your wedding yourself and you would just like to review your event details with a wedding professional to make sure you are not forgetting anything. These sessions are also great if you are planning a destination wedding and need a little extra guidance.
